:

В.	Establishing a Supportive Environment	Strongly Disagree	Disagree	Disagree	Strongly Agree	Do Not Know	Not applicable to my role
	Information Sharing						
10	The organization reviews rules, rights and grievance procedures with consumers regularly.						
11	Consumers are informed about how the program responds to personal crises (e.g. suicidal statements, violent behavior and mandatory reports).						
12	Consumer rights are posted in places that are visible (e.g. room checks, grievance policies, mandatory reporting rules).						
13	Materials are posted about traumatic stress (e.g. what it is, how it impacts people, and available trauma-specifics resources).						
	Cultural Competence						
14	Program information is available in different languages.						
15	Staff &/or consumers are allowed to speak their native languages within the agency.						
16	Staff &/or consumers are allowed to prepare or have ethnic-specific foods.						
17	Staff shows acceptance for personal religious or spiritual practices.						
18	Outside agencies with expertise in cultural competence provide on-going training and consultation.						
	Privacy and Confidentiality						
19	The agency informs consumers about the extent and limits of privacy and confidentiality (kinds of records kept, where/who has access, when obligated to make report to police/child welfare).						
20	Staff and other professionals do not talk about consumers in common spaces.						

		Strongly Disagree	Disagree	Disagree	Strongly Agree	Do Not Know	Not applicable to my role
	Privacy and Confidentiality Continued						
21	Staff does not talk about consumers outside of the agency unless at appropriate meetings.						
22	Staff does not discuss the personal issues of one consumer with another consumer.						
23	Consumers who have violated rules are approached in private.						
24	There are private spaces for staff and consumers to discuss personal issues.						
	Safety and Crisis Prevention Planning						
	the following item, the term "safety plan" is defined sumer feels threatened by another person outside of t			nsumer and	staff memb	ers will do	if the
25	Written safety plans are incorporated into consumers' individual goals and plans.	J					
	the following item, the term "crisis-prevention plan" age stress and feel supported.	is defined a	s an indivi	dualized pla	n for how t	o help each	consumer
26	Each consumer has a written crisis prevention plan which includes a list of triggers, strategies and responses which are helpful and those that are not helpful and a list of persons the consumer can go to for support.						
	Open and Respectful Communication		ern grown				
27	Staff members ask consumers for their definitions of emotional safety.						
28	Staff members practice motivational interviewing techniques with consumers (e.g. open-ended questions, affirmations, and reflective listening).					·	
29	The agency uses "people first" language rather than labels (e.g. 'people who are experiencing homelessness' rather than 'homeless people').						
30	Staff uses descriptive language rather than characterizing terms to describe consumers (e.g. describing a person as 'having a hard time getting her needs met' rather than 'attention seeking').						-
	Consistency and Predictability						
31	The organization has regularly scheduled procedures/opportunities for consumers to provide input.						
32	The organization has policy in place to handle any changes in schedules.						
33	The program is flexible with procedures if needed, based on individual circumstances.						

	L Assessing and Planning Services						
Α.	Conducting Intake Assessments	Strongly Disagree	Disagree	Disagree	Strongly Agree	Do Not Know	Not applicable to my role
Th	e intake assessment includes questions about:				·	·	
1	Personal strengths.						
2	Cultural background.						
3	Cultural strengths (e.g. world view, role of spirituality, cultural connections).						
4	Social supports in the family and the community.						
5	Current level of danger from other people (e.g. restraining orders, history of domestic violence, threats from others).					_	
6	History of trauma (e.g. physical, emotional or sexual abuse, neglect, loss, domestic/community violence, combat, past homelessness).		-				
7	Previous head injury.						
8	Quality of relationship with child or children (i.e. caregiver/child attachment)						
9	Children's trauma exposure (e.g. neglect, abuse, exposure to violence)						
10	Children's achievement of developmental tasks.						
11	Children's history of mental health issues.						
12	Children's history of physical health issues.				-		
	Intake Assessment Process						
13	There are private, confidential spaces available to conduct intake assessments.						
14	The program informs consumers about why questions are being asked.						
15	The program informs consumers about what will be shared with others and why.						
16	Throughout the assessment process, the program staff observes consumers on how they are doing and responds appropriately.						
17	The program provides an adult translator for the assessment process if needed.					<del></del>	

	` .					•
	Intake Assessment Follow-Up					
18	Based on the intake assessment, adults &/or children are referred for specific services as necessary.	TO Section 1287 and Control of the Control	Table 1885 See St. Market St. T. St. C. Community	22 Million 10 20 20 20 20 20 20 20 20 20 20 20 20 20	Total Balling granting (27) has a Managaranya.	Aggregation and the China State of the State
19	Re-assessments are done on an on-going and consistent basis.				<u>-</u>	
20	The program updates releases and consent forms whenever it is necessary to speak with a new provider.					
В. ]	Developing Goals and Plans					
21	Staff collaborates with consumers in setting their goals.					
22	Consumer goals are reviewed and updated regularly.					
23	Before leaving the program, consumers and staff develop a plan to address any future needs.					
	Offering Services and Trauma-Specific erventions					
24	The program provides opportunities for care coordination for services not provided within that organization.					
25	The program educates consumers about traumatic stress and triggers.					
26	The program has access to a clinician with expertise in trauma and trauma-related interventions (on-staff or available for regular consultation).	-	٠			

ĪΧ	. Involving Consumers					27 ME 47	
A.	Involving Current and Former Consumers	Strongly Disagree	Disagree	Disagree	Strongly Agree	Do Not Know	Not applicable to my role
1	Current consumers are given opportunities to evaluate the program and offer their suggestions for improvement in anonymous and/or confidential ways (e.g. suggestion boxes, regular satisfaction surveys, meetings focused on necessary improvements, etc)						
2	The program recruits former consumers to serve in an advisory capacity.						
3	Former consumers are invited to share their thoughts, ideas and experiences with the program.						

.

V.	Adapting Policies & Communication			September Period			
Α.	Creating Written Policies	Strongly Disagree	Disagree	Disagree	Strongly Agree	Do Not Know	Not applicable to my role
1	The program has a written statement that includes a commitment to understanding trauma and engaging in trauma-sensitive practices.						
2	Written policies are established based on an understanding of the impact of trauma on consumers and providers.						
3	The program has a written commitment to demonstrating respect for cultural differences and practices.						
4	The program has written policy to address potential threats to consumers and staff from natural or man-made threats (fire, tornado, bomb threat, and hostile intruder).						
5	The program has a written policy outlining program responses to consumer crisis/staff crisis (i.e. Self harm, suicidal thinking, and aggression towards others).						
6	The program has written policies outlining professional conduct for staff (e.g. boundaries, responses to consumers, etc).		·				
В.	Reviewing Policies				<b>*</b>		
1	The program reviews its policies on a regular basis to identify whether they are sensitive to the needs of trauma survivors.						
2	The program involves staff in its review of policies.						
3	The program involves consumers in its review of policies.
